

Product

Plant

Vegetable

Cucumber

```
graph BT; Cucumber[Cucumber] --> Vegetable[Vegetable]; Vegetable --> Plant[Plant]; Plant --> Product[Product];
```

The diagram illustrates a vertical hierarchy of four categories. At the base is a gray box labeled 'Cucumber'. A blue arrow points upwards from 'Cucumber' to a white box labeled 'Vegetable'. Another blue arrow points upwards from 'Vegetable' to a white box labeled 'Plant'. A final blue arrow points upwards from 'Plant' to a white box labeled 'Product' at the top. The boxes are rectangular and have thin black borders.
